ABOUT ME

Hello My Fullname is Asilbek Tursunov. I am 22 years old. I live in Fergana and have studied at Fergana Branch of the Tashkent University Information Technologies for 4 years. I am 5th year student. I study at my university 2 months a year.I will finially finish my university in 2025.

I am currently studying Frontend Programming since 10 months so I am looking for a good company to improve my knowledge and become a good developer. I am a resilient, active, enterprising person, I learned everything I learned in this field sitting at home with free lessons and applying it in practice. I think many companies would like to have employees like me. Thank you for your attention. You won't go wrong if you give me a chance

WORK EXPERIENCE

Frontend Developer
Rishton Soft / Fergana Region Fergana city / May 2024 - Aug 2024

· Contributed as a Frontend Developer in a 3-month internship, enhancing a CRM system for an educational brand.
· Spearheaded the UI transformation, modernizing the website for improved user experience.
· Integrated messaging and payment functionalities, elevating the platform's interactivity and efficiency.
· Revamped outdated UI, enhancing user experience and engagement.
· Implemented messaging features, improving communication efficiency.
· Integrated payment solutions, streamlining transaction processes.

Frontend Developer
Sammi.ac / Remote / Mar 2024 - Aug 2024

· This is not a company, this is an educational platform, where I learned programming technologies and strengthened my knowledge by implementing more than 15 large and small projects.
